Explanation of Responses:

- Granted at no cost to reporting person.
- Represents number of shares beneficially owned as of July 30, 2004, based on information from plan administrator.
- Each phantom stock unit is equal in value to one share of the company's common stock.
- Vested in participant stock units (and related dividend equivalent stock units) at all times. Company matching stock units (and related dividend equivalent stock units) vest as follows: (a) 100% upon participant's death, disability, or early or normal retirement; (b) 100% upon a change in control of the company; (c) 100% upon involuntary termination for reasons other than disciplinary reasons or termination as a result of the sale or permanent closure of a company facility, operating unit, or division; and (d) 20% on each anniversary of the date account was first credited with stock units under the plan. 20% is cumulative -- after 5 years, participant is completely vested in all stock units in his or her account, including any stock units allocated to the account in the future.
- Shares of phantom stock are payable in shares of common stock in accordance with the participant's Deferred Compensation Distribution Election Agreement, except in the case of a change in control, in which case payment may be made in either cash or stock.
